Case # 1:18-md-02865

Dear Judge,

Usually I write letters of recommendation but in this case I want to tell you that ADAM LAPORA set up a shell company to dupe DON MARK out of 1.7 Billion AND Belgium 500 million by requesting TAX refunds on fictional investments.

ADAM LAPORA has a LAW degree and a LUXURIOUS lifestyle. His AMBIGUANCE AND DISREGARD for people astounds me. Please consider my letter when sentencing him for his crimes.

Sincerely,

Kenneth J. Twillett
